SPECIFICS.

For Sick Headache,

The most efficacious remedy is Ayer's Pills. They stimulate the liver, cleanse the stomach and bowels, restore healthy action to the digestive organs, and thus afford speedy and permanent relief. Those who have suffered for years from sick and nervous headache find Ayer's Pills to be an unfailing specific.

"Two boxes of Ayer's Pills cured me of severe headache, from which I was long a sufferer."—Emma Keyes, Hubbardston, Mass.

"For the cure of headache, Ayer's Cathartic Pills are the most effective medicine I ever used."—Robt. K. James, Dorchester, Mass.

"During several months past I have suffered from headache, without being able to find relief until I tried Ayer's Pills, which so much benefited me that I consider it my duty to publicly state the fact."—Mrs. M. Guymond, Fall River, Mass.

"I have now used Ayer's Pills in my family for seven or eight years. Whenever I have an attack of headache, to which I am very subject, I take a dose of Ayer's Pills and am always promptly relieved. I find them equally beneficial in colds; and, in my family, they are used for bilious complaints and other disturbances with such good effect that we rarely, if ever, have to call in a physician."—H. Voullimé, Saratoga Springs, N. Y.

"In 1858, by the advice of a friend, I began the use of Ayer's Pills as a remedy for biliousness, constipation, high fevers, and colds. They served me better than anything I had previously tried."—H. W. Hersh, Judsonia, Arkansas.

"Headache, to which I am subject, is invariably cured by a dose or two of Ayer's Pills."—George Rodee, Homer, Cortland Co., N. Y.

"Ayer's Pills are the best I have ever used for headaches, and they act like a charm in relieving any disagreeable sensation in the stomach after eating."—Mrs. M. J. Ferguson, Pullens, Va.

"I have been affected, for years, with headache and indigestion, and though I spent nearly a fortune in medicines, I never found any relief until I began to take Ayer's Pills. Six bottles of these Pills completely cured me."—Benjamin Harper, Plymouth, Montserrat, W. I.

"After many years' experience with Ayer's Pills as a remedy for the large number of ailments caused by derangements of the liver, peculiar to malarial localities, simple justice prompts me to express to you my high appreciation of the merits of this medicine for the class of disorders I have named."—S. L. Loughridge, Bryan, Texas.

"During the past 28 years I have used Ayer's Pills in my family for all derangements of the stomach, liver, and bowels. They never failed to benefit."—Chauncy Herdsman, A. M., Business College, Woodside, Newark, N. J.

Any Article that has outlived 22 years of competition and imitation and sells more and more each year, *must have merit.*

DOBBINS' ELECTRIC SOAP, first made in 1869, is *just that article.* Those who use it each week, (and their name is legion,) save clothes and strength, and let *soap* do the work. All that we can say as to its merits, pales into nothingness, before the story it will tell, *itself*, of its own perfect purity and quality, if you will give it one trial. Ask your grocer for it. He has it, or will get it. Try it next Monday.

N. B.—There are many imitation Electric Soaps in which electricity plays no part. Dobbins' is the original one, all Magnetics, Electrics, and Electro-Magics are fraudulent imitations. Ask for Dobbins' Electric, see that our name is on every wrapper, and if other is sent you by your grocer, when you order ours,—*send it back to him.*

Do not take any chances of being poisoned or burned to death with liquid stove polish, paints, and enamels in bottles. "The Rising Sun Stove Polish" is safe, odorless, brilliant, the cheapest and best stove polish made, and the consumer pays for no expensive tin or glass package with every purchase.

THE Peerless Elastic Abdominal Belt.

This Belt, which has proved such a blessing to ladies suffering from weakness, disease or displacement, was invented wholly for private use; without any thought, on the part of the inventor, that it would ever go beyond a few personal friends; but as one and another of those to whom it was given received great comfort from it, the inventor was urged to enlarge its usefulness by giving it to the public. Its superiority consists in its extreme lightness, openness and elasticity. It allows PERFECT FREEDOM of movement, and covers so little surface that it is not heating. Before introducing it to the public its merits were thoroughly tested by some of the best physicians in New England, to whom reference is permitted by the inventor.

We shall be glad to show or send them to those who are suffering from any weakness requiring a supporter. Price, \$3.00. Address,
